

## SAYS PLANS NOT MADE TO EXTEND RELIEF TO IRISH

WASHINGTON, Nov. 12.—Dr. Livingston Farrington, chairman of the Red Cross, in a statement said no definite plans had been formulated to extend relief work to Ireland.

"The American Red Cross views with deep sympathy and solicitude suffering and distress in Ireland as well as in other parts of the world," he said. "Following its regular procedure it has requested of its representatives in Europe a report on the situation both as to the need and the practicability of American Red Cross assistance. Such a report has not yet been received."

"Further, there has not come to the American Red Cross from the government of the United States nor from any government concerned nor from the league of Red Cross societies, to some of which agencies the American Red Cross under its practice would look for the initiative in this matter, any intimation that conditions call for the immediate offer of such assistance as the American Red Cross might be expected under its charter to render."

"Should conditions demand and the international situation permit, the American Red Cross would gladly give such aid as would be consistent with its resources, its obligations elsewhere and its responsibility to the American republic."

It was explained by Red Cross officials that the statement had been prompted by inquiries received at headquarters and by the fact that Irish sympathizers in this country have displayed banners in their demonstrations asking why American Red Cross work had not been undertaken in Ireland.

## New Congresswoman Against Cigarets And Silk Stockings

MUSKOGEE, Okla., Nov. 12. (By International News Service.)—Miss Alice M. Robertson, Oklahoma's most famous cafeteria owner. The only woman member of the next congress has voiced her disapproval of cigarettes, silk stockings and denied she would win support of congressmen to feminine causes by use of her culinary art.

"I am a Presbyterian, so why ask me what I think about cigarette smoking?" she responded to a query regarding her views on a separate smoking room for women in the capitol at Washington.

The new congresswoman has little sympathy for modern feminists. She has lived on the frontier, among Indians and developers of the soil. She never wore silk stockings. Cotton hose is good enough for the next congresswoman, she said.

Miss Robertson has small faith in her culinary ability so far as it applies to winning male votes.

"I've spent a dozen years running a restaurant and look at me," she exclaimed. "I'm still single."

Despite her restaurant experience Miss Robertson does not aspire to the chairmanship of the house subcommittee in control of the house restaurant. "I'm not saying what committees I favor," was her non-committal reply.

## To Look Young Quickly for Special Occasion

How often have you fussed and puttered with your face on the eve of some important social event when you wanted to look your prettiest, and try what you would just couldn't get the desired result. Next time your face becomes unruly, exhibiting a careworn and saggy appearance, and crisscrossed with fine lines, here's something that will quickly transform it into one of youthful freshness.

Just get an ounce of powdered azotite at your druggist's, mix this with about a half pint of witch hazel, and bathe your face in the solution for two or three minutes. Immediately after you feel a "firming up" of the skin and underlying tissue, which naturally iron out the little wrinkles, worry marks and flabbiness. The contour and general appearance of your face are so improved, you will be glad you heard of this simple and harmless method. adv.
